

Start Locations & Car Parks

We generally run from 7 different car parks around the Ashridge Estate:

Bridgewater Monument:

Off the B4506 between Berkhamsted and Dagnall - nearest postcode HP4 1LT.

Toms Hill:

Toms Hill Road, off the B4506. If coming from Aldbury, the car park is at the top of the hill on the right - nearest postcode HP23 5SE.

Berkhamsted War Memorial:

Car park is at the junction of New Road, opposite the war memorial - nearest postcode HP4 2QB.

Ivinghoe Beacon

Ivinghoe Beacon Car Park (to the South of the Beacon on the road that links the B489 to Ringshall). If coming from the south, carry on past the monument until you see a flashing speed sign (won't come on if you are not speeding!) and do the next left to Ringshall. Keep going along that road, over a cattle grid and the car park is on your right. You can easily see others parked.

Golden Valley:

Nearest post code HP4 1LZ. Parking is between Monument entrance and Ringshall on B4506 by the reduce speed signs, and opposite Ashridge Golf course entrance. If coming from Berkhamsted it's about 1km past the monument entrance, on the left before entering Ringshall. If coming from Ringshall, it's as you exit Ringshall on right.

Northchurch Common:

Use HP4 1LT. If coming from Ringshall/Dagnall go past monument entrance, past the road turning off on the right to Tring (Toms Hill Road), and the car park is on left in about 100 yards. It is as Northchurch common appears on right and where we often cross the road on runs. If coming from Berkhamsted, as Northchurch common finishes on the left and turns to woods car park is immediately on right.

Ringshall:

Nearest Post Code HP4 1NE. From Ringshall B4506 turn towards the beacon- the car park is approx. 250m on left set back in the trees. From the beacon, the car park is on right just before you get to the houses in Ringshall.
